

## 2011 Weddings at Patterson Kaye Lodge

Patterson Kaye Lodge was built as a summer resort hotel in 1936 by Mr. and Mrs. William Patterson and his sister, Phyllis Kaye. In 1959 Patterson Kaye was purchased by Frank Miller. In 1974 Frank's son Norman and wife Christine Miller took over the lodge. In 2005 Frank's granddaughter and husband, Erin and Bryan Shier purchased the lodge and continue to run it as a family resort.

Families have enjoyed memorable summer vacations for seventy years. In Spring and Fall each year, Patterson Kaye hosts wedding receptions. We offer a unique setting over-looking beautiful Lake Muskoka, nestled amongst towering pine trees. The Main Lodge boasts granite fireplaces, hardwood floors and cathedral ceilings. Our dining room is ideally suited for up to 120 wedding guests and is centrally air-conditioned. It also has a built in P.A. system for the wedding announcements.

The rate is \$56.00 per person plus 13% HST, plus 15% Gratuities. Our rate includes the wedding banquet dinner, suggested menu attached and table linen. There is a charge of \$1000.00 for the exclusive use of the lodge including dining room and living room facilities for the ceremony and reception, bar and dance area, and coffee and tea service at 11:30 pm. Please enquire about minimum numbers and occupancy.

You can save on your bar costs at P-K. We are unlicensed, so you purchase the liquor, beer, wine, champagne, mix, the special occasions permit, and **pay the wages of the bartender**. We will arrange the bartender, help set up and stock the bar, and supply ice, limes, lemons, wine and bar glasses.

**Please see last page re: Special Occasions Permit – Party Alcohol Liability (PAL)**

For a very special wedding reception, at a unique lakeside location, choose Patterson- Kaye Lodge. The true Muskoka charm, warm atmosphere, delicious meals and personal service will make it the perfect celebration. Call (705) 645-4169 or 1-800-561-6998 for an appointment and property tour.

Patterson Kaye has proudly built a reputation for fine dining, personal service and true Muskoka hospitality. We can seat 120 maximum people for a wedding dinner. We set the dining room using a combination of 60-inch round tables and rectangular tables each seating a maximum of 8 guests at each table. The “head table” can be done using the round table or the traditional full view length. The dinner is professionally served in a “full service sit down” manner. Any suggestions or favourites that the wedding party and families have regarding meal selections are always welcome.

We begin dinner with a homemade soup, followed by salad, then the main entrée. Dessert, coffee and tea are served to end your meal.

Patterson Kaye Lodge is an unlicensed venue for wedding receptions. Two requirements are necessary for all parties hosting alcohol at Patterson Kaye. Persons responsible for liquor at the wedding must apply for a **Special Occasions Permit** at the local LCBO (Hwy 118 West, Bracebridge). There is a minimal fee for a non sale or sale permit. Application for this permit should be made approximately five weeks prior to the event.

A **Party Alcohol Liability (PAL)** insurance may be obtained from any insurance broker just prior to the event. This is a simple one page application with a nominal fee for 24 hour coverage. You must have your **Special Occasion Permit** with you to obtain **PAL**.

You may to choose to have an open bar or cash bar. The party responsible for the bar is required to purchase all alcohol, wine, champagne, mix and juices.
